It is that time of year again when Year 6 and Year 5 Parents may want to take their children to the open days at the local Secondary schools. At Balfour Academy we are very happy to authorise up to six visits but we do ask you to let the office know, preferably in writing in advance of the date.

On a serious note we have recently had evidence of drug dealing and drug taking in the alley bordering the school. The Police have been informed and have asked me to request that if you have any evidence of drug abuse in the local area that you telephone the details directly in to them on 101.

Flu vaccinations are taking place for children in years 3, 4 and 5 on the 9th October 2018. We still have very many forms outstanding so would be very grateful if they could be returned as soon as possible.

With very best wishes

Kim Parnell
